RE: AB 1666 (Bauer-Kahan) – Abortion: Civil Actions – SUPPORT

Dear Assemblymember Bauer-Kahan:

The League of Women Voters of California writes to support AB 1666, which would prohibit the enforcement of out-of-state fetal heartbeat abortion restriction laws. It also prohibits an action to enforce any out-of-state law that would impose civil liability on a person seeking, receiving, performing, inducing, or aiding a person in obtaining an abortion.

We support this bill to protect women seeking an abortion and the providers who care for them. The League believes it is essential to protect the constitutional right of privacy of the individual to make reproductive choices. In addition, we are committed to promoting quality medical care and the equitable distribution of health care services.

Sincerely,
